CASA PRANA

NORTH SHORE / PUNTA DEL BURRO

Located in Punta del Burro - a private, beachfront gated community of ~40 homes - just steps away from the beach and on one of the area's best surf breaks - sits tranquil Casa Prana.

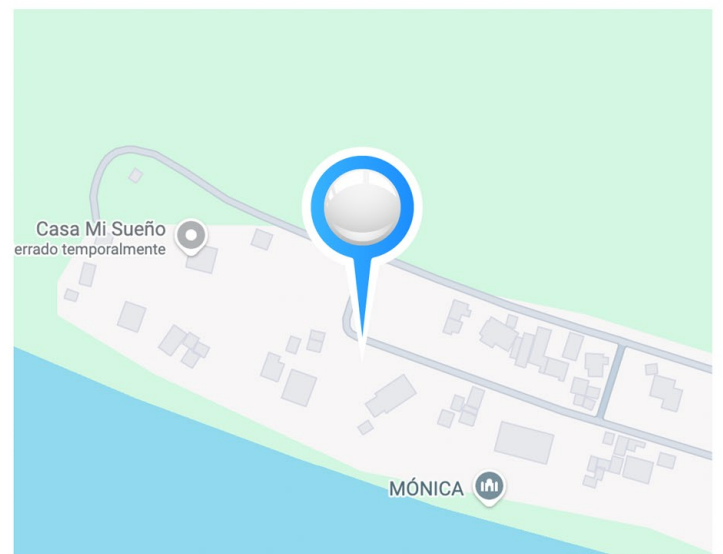

Nearly ¼ acre corner lot shaded by mature trees and landscaping is a fully functional Casita and additional rooms to accommodate 6 people.

Project plans include an additional separate 4 bedroom house that seamlessly integrates with the existing structure.

Current construction consists of a full master suite, complete outdoor kitchen, dipping pool and upper observation deck.

Second separated structure has a bunk bed and full bath. Third converted container comfortably sleeps two with nice finishings and a/c.

Large lot offers many opportunities for added design and build.
